

CARF Annual Surveyors' Conference

This event is the best opportunity of the year to learn about best practices for CARF surveyors and to network with your surveyor colleagues and CARF staff. Because organizations today are offering more services, and serving elders with increasingly diverse needs, this conference will bring together surveyors from medical rehabilitation and employment and community services programs and settings to help you connect across accreditation areas and enhance your surveyor expertise.

These one-and-a-half days include training sessions, hands-on group activities, and informative presentations. Session topics will cover the most challenging standards, techniques for conducting a successful survey, tips for consultative communications to organizations, and changes in CARF policies related to your work as a surveyor. There also will be an awards dinner to recognize surveyors who have achieved career milestones. We hope you will join us at this unique celebration of the hard work you and your surveyor colleagues put into the field.

Benefits:

- Discuss CARF accreditation updates with CARF senior staff
- Get up-to-date on changes to CARF standards and how to assess conformance
- Receive tips to help surveys go smoothly for all participants
- Network with national and international colleagues in aging services, medical rehabilitation, and employment and community services
- Earn 9 CARF continuing education points
- Earn NAB credits

Professional development credits have been submitted for approval. CARF will notify participants once approval is confirmed.

All surveyors must register in advance.

Contact your CARF survey scheduler, Nancy Reyes, at (888) 281-6531 ext. 7196

or nreyes@carf.org for more details about travel and flights.

All presentations and materials are provided in English.

Continuing Education Units (CEU)

Continuing Education Units through the University of Arizona will be offered to participants for \$35.00 (USD). Please contact your professional licensing board to verify approval. Certificates of Attendance will be issued to all participants.
